Enclosure

Sir,

In reply to your docket No 1933
dated 19th instant, I have the honor to
state that the Excise Comr's recommend
tion to Government to allow the Depu
Comr's to hold permanent advance
of Rs 50 to meet "Secret Service" demand
is utterly inadequate and would
defeat the object intended. The expendi
ture cannot be either controlled or
vouched for in the manner of any
ordinary Contingent grant. Each
officer must be given a permanent
advance of Rs 50. He has several
Cases in hand and must have
adequate

adequate funds to meet the same
unquestioned and absolutely at
his disposal. This is a case in which
Govt must trust the Detective
Asst Supervisor fully. No half
measures will do. I beg to refer to
this office No 42 dated 2nd instant
in which it has been clearly explained
that any officer of Govt is debarred
from seeking information from
informers. To compel them to ask
for funds and accounts as they
are needed would be decidedly
objectionable in the interests
of this Department and hamper
if it does not wholly hinder, detective
work. As cases are taken up and
convicted bills will be sent in ——
sanctioned and cashed. The
present advance will thus be recouped
from time to time. No bills will
be rendered till detection & conviction
ensue

incur. As poor upon bills
the Deputy Commissioner of
Shimoga has suggested a note
be added "on solemn affirmation
that the charges booked were bonafide
incurred" Nothing more can be
exacted if it be proved at any
time that any Detective Asst
Supervisor has abused the trust
thus reposed in him, he can be
summarily dealt with and
all will be told so. It was on
this account, I asked that the
full scale of pay sanctioned
by Government be given to
these men. Place them above
temptation. That is the first
step. Select the man fitted for
his work and do not buy and
get a man to do work incongenial

to him. I solicit a copy of this
letter may be kindly sent to the
Excise Commissioner with your
favourable support and a
special request that he will lay it
and Copy of this office No 1329 dated

orders with any opinion he may
have to offer thereon, as in the
interests of this Department
I deem this absolutely necessary

Sir,

Adverting to the Proceedings of Government No. 1805-6/213 dated 13th May 1891, sanctioning the retention of Permanent advance of Rs 50/- in the hands of each of the Deputy Commissioners of Shimoga and Kadur, to make payments for secret information in connection with illicit distillation cases, I have the honor to solicit that some sums may still continue to be held by those officers to be utilized for disbursement of any direct clues they may obtain through the police &c.

As the whole force is to be concentrated in the affected tracts and Mr. De Donnell will need funds to pay in small sums to the Detective Assistant Superintendents for cases taken in hand till detection is completed, I

I will obtain sanction to allow him a permanent advance of Rs: 100 for this purpose subject to adjustment in due course under the rules in force.

2. The sum of Rs 500 allotted for this purpose fell short last year and several of the bills had to be received for payment out of this year's grant. This entailed much inconvenience on the officers concerned who only draw small salaries. I would therefore solicit the budget grant be raised to Rs 1500 for the current year. Large savings will accrue on the Excise Budget as the staff was not entertained on the full scale sanctioned.

No. 1398/208 Encloses

It has come to notice that in each and every case of illicit distillation, bills are sent by Detective Officers for payment of money from Secret Service fund, and that as soon as one or two cases are detected by an officer, he claims rewards and promotions. The Detective staff has been specially organized to prevent and detect

detect Crime under the Excise and opium acts, and it is the duty of all Excise officers to prevent and detect crime under the said acts. Each Detective assistant Supervisor is provided with an assistant Tester and two peons, and the assistant Supervisor and his establishment are paid specially to detect cases of illicit distillation and smuggling of liquor. One of his peons or the assistant tester must go about in undress or disguise and trace out the scenes of such crime. It is not creditable to the detective staff that no cases of illicit distillation have been detected without money being spent.

2. The practice of detective officers to apply for promotion or reward on detection of one or two cases, must not be tolerated. If any official has shown more than ordinary zeal, tact and ability combined with honesty, in the detection of cases

of

of more than ordinary difficulty, which an officer in the detective staff must expect to meet with, the Excise assista Commissioners should make a special report of such cases to the Excise Commissioner.

3. It is very desirable that the Excise Assistant Commissioner should, from time to time, accompany detective officers to the scenes of crime and watch their proceedings.
